Description The GIO Electric Mini ATV is the perfect present for kids, offering hassle-free fun with its electric motor. Say goodbye to fuel-related concerns as this ATV runs on battery power, ensuring easy usage without the need for a driver's license or registration. Equipped with a battery level indicator and a functional front light, kids can easily navigate their adventures. With a quick charge time of only 4-6 hours, there's no need to wait long to get back on the trails. Plus, its reliable chain-driven transmission ensures smooth and dependable rides every time, guaranteeing endless entertainment without the worry of being stranded.

**This Gas ATV is shipped 90% assembled, some assembly is required.**

Customers are encouraged to call prior to placing their orders for assembly-related questions.
