Description

PHX GPro Series Adult Goggles - X2 Graphic Limited Edition (Aztec pattern). PHX GPro goggles offer renown quality and unbeatable value. Constructed from highly durable and flexible resins these goggles also come equipped with the highest quality and longest strap in the market, making sure that the goggles can be worn around the biggest heads and the largest of helmets. Assembled with a high-tech blend of non-toxic, non-soluble adhesives these goggles will last the test of time.

The X2 Edition goggle is additionally treated with a stay-white coating which ensures resistance to discolouration and yellowing over time. X2 Edition goggles come equipped with triple wave anti-slip silicone strap lining and full tear-off post configuration. Limited edition 3-color printed PHX strap with PHX metal and leather logo as well as embossed PHX emblem. 1 of a kind. **Available for a limited time only - while supplies last.
