#### Description

Universal cell phone holder / mobile phone holder and mount. Available in Several sizes, this is the XL size that can accommodate the widest range of phone sizes (110mmx182mm outer case diameter). Universal mounting can be attached to almost anything - for bicycles, ebikes, motorcycles, scooters, kick scooters, ATVs, anything with an attachment point. Mirror attachments are also available for 8mm to 10mm (our part number 50E1340), sold separately.
